WHO WE ARE

Founded as a direct response to the fact that 40% of food goes to waste while 1 in 8 people are food insecure, 412 Food Rescue brings perfectly good surplus food to individuals and families experiencing food insecurity.

Volunteer #FoodRescueHeroes transport this food to nonprofit partners through our innovative mobile app.

412 Food Rescue is committed to pioneering solutions that scale food recovery.

Our initiatives range from building technology and logistics infrastructure to creating new markets for products all while preventing food waste and tackling hunger.
